CATCHING COLD ?

MINTOL OFTEN PREVENTS
PNEUMONIA

It is surprising to read in the daily papers
of treatments that our forefathers and grand-
mothers used for colds, coughs, croup, and
bronchial affections. It impresses the writer
with the fact that modern scientific research
had not advanced a iota, when, as a mat-
ter of fact, there have been wonderful ad-
vancements in the treatment of all diseases
and conditions that bring on disease. Just
because grandmothers used old-fashioned must-
ard blisters for relieving colds and con-
gested conditions, it is no sane reason why
we should resort to the old, antiquated meth-
ods when there have been such wonderful
improvements and new discoveries of remedies
which are far more effective and less painful
to use.

SPECIAL NOTICE:—A druggist said the
other day that a customer came into his
store and inquired for a mustard plaster and
he suggested to the customer that they try
MINTOL as a more modern treatment for
congested conditions. The customer accepted
the druggist's suggestion and in a few minutes
he found the same customer came into the
store and said: "How long have you handled
MINTOL? The druggist's remedy has been
handing it for some little time and the
customer frankly stated that he would never
use a mustard cream or plaster for colds,
coughs, or any congested conditions again.
There are thousands of others who would say
the same as this druggist's customer said, if
they would only try MINTOL. If your druggist
cannot supply you, we will mail you a jar
on receipt of price, 50c, and \$1.50 a jar.

Cut it? Quit it? "Gets-It" Peels it!

"Gets-It" is the only corn-remover on
earth that takes corns off out like a
banana skin. Two or three drops will do
the work, without fussing or trouble. You
apply it in 2 or 3 seconds. It dries im-
mediately. "Gets-It" does the rest, without
bandages, plasters, blood-bringing knives or
pains. Get rid of that corn at once,
so that you can work and play without con-
stant torture. Be sure to use "Gets-It." It never
fails.

WATERBURY

District Rebekah Meeting Held Nov. 7
—Large Attendance of Officers.

The annual meeting of the Rebekah
lodges, district No. 7, in Masonic hall
last Friday, was one of the best ever
held and was largely attended. The
hall was prettily decorated in cut flow-
ers and potted plants, pink and green
being in evidence. A fine banquet was
served at the Methodist church under
the auspices of the ladies' aid, all the
visiting members and many of the
resident ones being in attendance. Dur-
ing his banquet an interesting address
was given by Mrs. D. C. Jones, state
manager of war savings, on the need
and value of thrift. This work has
previously been covered by the state of-
ficers. Assembling in the lodge room,
the opening ceremonies were by Emer-
ald lodge, No. 33. The address of wel-
come was cordially given by Mrs. Bes-
sie Ayers, noble grand of the local
lodge, and this was ably responded to
by Mrs. Clara Spaulding of Maple
lodge, No. 36. Before the complemen-
tation of the degree by Fern lodge, No.
26, of Randolph, E. G. Miller of this
place sang Topliff's "Ruth and Naomi,"
and later in the evening solos were
rendered by Mrs. Florence Joslyn, Mrs.
Palmer accompanying. The work as
put on by the Randolph lodge showed
much drilling and in great degree the
beauty of the work. The report of the
last district meeting was given by Mrs.
Kate L. Smith, assembly chaplain, and
other parts of the program and work
as already printed. Mrs. Martha F.
Claire, district deputy president, pre-
sided with much grace and dignity and
handled well at all times the work in
hand. One thing which gave much
pleasure to members of the local lodge
was the presence of some of the other
members who were charter members.
Among state and district officers pre-
sent were Mrs. Emma Coburn of West
Burke, president of the Rebekah as-
sembly; Miss Emma H. Gates of Lud-
low, secretary of Rebekah assembly;
Mrs. Adelle Wallis of Waitsfield, war-
den of the Rebekah assembly; Mrs.
Emogene S. Buck of Randolph, past
president of the Rebekah assembly;
Mrs. Kate B. Smith of Montpelier,
chaplain of Rebekah assembly; F. W.
Jackson of Barre, grand secretary of
grand lodge of Vermont; N. C. Buck of
Randolph, guardian of grand lodge of
Vermont; J. E. Foster of Waterbury,
past grand representative of the grand
lodge; E. E. Campbell of Waterbury,
grand senior warden of grand encamp-
ment; Harry Clark of Barre, district
deputy grand master, district No. 13;
Mrs. Martha F. Claire, district deputy
president; Mrs. Nellie Bates of Bur-
lington, a past district deputy pres-
ident of this district, introduced the
grand officers.

A strong committee is on for a big
community fair, from the proceeds of
which it is expected to help finance an-
other community Christmas, these hav-
ing been very successful for the past
few years.

Edwin Town of Waltham, Mass.,
who is a guest of his aunt, Mrs. J. F.
Claire, kindly assisted in the choir of
the Congregational church Sunday and
pleased all with his rendering of "The
Homeland." Mr. Towne is bacteriolo-
gist for the C. Brigham company and
will be here on business connected with
the new creamery for a few days.

Thursday afternoon the Pierian club
had an enjoyable meeting at the home
of Mrs. D. D. Groat, Mrs. Groat and
Mrs. Edwards hostesses. Instrumental
numbers were rendered solo by Rev.
George H. Lock and vocal solo by Mrs.
F. C. Lamb, Mrs. W. L. Boicourt ac-
companied. Mrs. Roy Gale of Burling-
ton rendered a piano solo, Mendels-
sohn's "Rondo Capriccio" and for an en-
core, "Home Sweet Home," with varia-
tions. The address of the afternoon
was by Rev. Whitely H. Leach on "Amer-
ican Homes." This pleasing and help-
ful program was arranged by Mrs. J. F.
Claire and Mrs. Laureline Graves.

Waterbury again comes to the front,
S. C. Wheeler, one of our largest lum-
ber dealers, having secured the con-
tract for much of the lumber for the
state garage at Montpelier. This in-
cludes 30,000 feet dimension stuff. Mr.
Wheeler is already cutting for this or-
der.

The new icehouse, 30x90 feet, and
22-foot post, is being built near the
new creamery of the C. Brigham com-
pany. J. K. Whitney, treasurer of the
company, was a business visitor in
town last Friday and Saturday. This
week the bacteria tests are being made.

The Waterbury community fair,
which is to be held in the K. of P. hall
Nov. 24, 25 and 26, is advertised as
the "greatest fair ever held in Water-
bury."

Mr. and Mrs. J. B. Adams have
moved into the tenement over the
Smith & Somerville store. Mr. and
Mrs. Adams moved from Randolph and
have been at the home of their son,
C. B. Adams, on Rand street.

Rev. and Mrs. E. C. Hayes, Mrs. Ed-
win F. Palmer and Mr. and Mrs. A. G.
Stevens were in Bolton Saturday to
see A. C. Huntley, who is ill.

Danger Ahead! Look Out!!

Colds and Grippe frequently will
leave you with weak kidneys, and ach-
ing back. The kidneys get overworked
fighting off a cold or a contagious dis-
ease. When they slow up, and don't
perform their duties, look out, there is
trouble brewing.

Kidney and bladder troubles are dan-
gerous, and should not be neglected; if
you are compelled to arise from your
slumber once or twice during the night,
it proves that your kidneys are affect-
ed and bladder irritated, and if you
will take from 10 to 20 drops of SEV-
EN BARKS in a little water after
meals, you will correct the alkalinity
of your secretions, thus giving you un-
disturbed sleep and peaceful rest, pre-
paring you for your next day's duties.

If you feel dull, irritable and nerv-
ous, have headaches, sore or enlarged
joints, irregular kidney action, you
should give the kidneys quick relief by
taking SEVEN BARKS, which will not
only relieve the kidney trouble, but
keep your stomach in good condition
and your liver active.

Don't neglect your kidney trouble
with first symptoms. You will be sorry
if you do—it's too serious a matter.

MAZOLA

FREE Every
house-
wife should have
a copy of the in-
teresting 68-page
Corn Products
Cook Book. Full
of information
about good cook-
ing and beauti-
fully illustrated.
Write for it to-
day.

Remarkable Economy!

MAZOLA is used over and over again
without transmitting flavors or
odors from one food to another. It is not
absorbed into foods. Because Mazola
reaches "cooking heat" in half the time,
forming a delicious crust about your food.
This avoids soggy and greasy foods.

And remember—for shortening, as in pie crusts, etc.,
you use 1/4 to 1/3 less Mazola than what your recipe
calls for in other shortenings.
